**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important for consumers to have as many choices as possible so that different services are available at different prices. Monopolies that kill competition cause prices to go up and options for services to be limited.

Please maintain a competitive marketplace for cell phone service providers.
